

Consider helping at the Youth Christmas Banquet!

We are in need of volunteers to help with prepping & serving food for our Youth Christmas Banquet. By having additional volunteers at this event, our youth leaders can be freed up to spend the night interacting with students, which makes a big difference for the quality of the night, and for the meaningfulness of this event for our students.

Expectations (meal prep team of 4-5 ppl, with one designated leader):

- Prepare and serve the food, and set out drinks for drinks table
- Arrive: 5:00pm on Wednesday, December 14th to begin food prep
- Serve food starting at 7:30pm.
- One person on team to keep an eye on drinks table to refill water if necessary
- After food is served to clean up the kitchen and wash the cooking supplies (pots, pans, etc.) (Anticipated finish at 8:20pm)
- No dishes
